To Whom It May Concern:

Ryan Noga has been employed as a Production Designer by Barefoot since December 11, 2007. During this period, he demonstrated many of the qualities that make one a valued employee. He has always been eager to learn and take on new challenges, and consistently sought out feedback so that he could continue to grow and increase his value to the organization.

It is unfortunate for Barefoot that, due to economic constraints, we must reorganize our organization and lose employees such as Ryan. I would recommend him for any position or career that he may now seek to pursue.

If you have any additional questions, please do not hesitate to call me.

Sincerely,

Jodi Greene
Creative Director
