To Whom It May Concern:

It is my pleasure to recommend Ryan Noga, his performance as a Production Artist was a great asset during his time of employment at Barefoot.

I worked with Ryan for over a year and a half and saw him develop as a Production Artist considerably during that time. He is creative, dependable, well-organized, thorough and accurate in all that he does. He is consistently willing to take on new challenges and continually focused on further developing his knowledge and skill set.

In addition to the high quality he delivers in his work, Ryan also brings a great attitude to every project. He is the epitome of a "can-do" employee. He is easy to work with and focused on completing projects accurately and on time, every time.

I am confident that Ryan will be an outstanding contributor to any project that he works on.

If I can be of further assistance, please feel free to contact me at 513-618-1785.

Sincerely,

Tim Lemke
Director of Project Management
